MOOD:  hopeful

I do not want to think about how much I just spent on little metal things that fly very fast and poke holes in things.

 [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) patted me on the head and said something about reloading.

But I think it was totally worth it. Not Annie Oakley, mind you, but I think with practice this could actually work.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Also, mature. Have I mentioned mature? Soooooooooo mature...

(And I'm only dignifying these with a reply in order to try out my new userpics. Because I am so, um, mature.)

You know that intensely hot Pakistani tech in Organized Crime? She's also a graphic designer... ;)
